Thanks for your Generosity

Thank you to the St. Joseph community for your generous contribution in our mission to send Christmas packages to Northern students in Canada. We shipped 11 boxes to Nunavut

and Northwest Territories, consisting of 50 student envelopes and 3 elder care packages. A true testament to our commitment towards Reconciliation, especially during Treaty Recognition week, this past week.

Also, a big thank you to all students who donated their excess Halloween candy to share with poor children in the developing world. Canadian Food for Children will ship the candy directly to agencies in developing countries who work with children in need.
