

# St. Joseph Aurora CES

Week at a Glance: January 23-27, 2023

## Winter artwork

Wintry winds and snowy days give students reasons to create. Grade 5 and 6 students worked on one-point perspective while Grade 2s welcome bonhomme's favourite time of year.

## On-time Arrival

With the turn of a new year, we look to making positive changes. Please ensure your child arrives by 9:00 am to get a good start to the day.

## Friendly reminders

As the snowy weather continues, please pack an extra pair of socks in your child's backpack so they have dry socks available in the event their socks get wet.

We have noticed many students in need of forks and spoons. We keep a limited supply in the office but appreciate you sending utensils with your child to use for lunch and/or snack. Thank you!
