

St. Joseph Aurora CES

Week at a Glance: June 12-16, 2023

Coming Events

June 20

Grade 3 trip to Forsythe Farms

June 22

Grad Mass at 1:10

Volunteer Appreciation Tea at 2:30 pm

June 26

Grade 8 Graduation at 4:30 pm

June 28

Virtue Assembly at 10:45 am

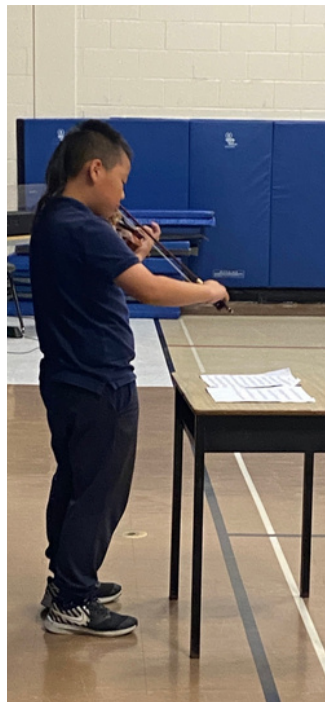

Jamboree at 1:15 pm

June 29

Talent Show at 1:15 pm

June 30 - 1/2 day of school

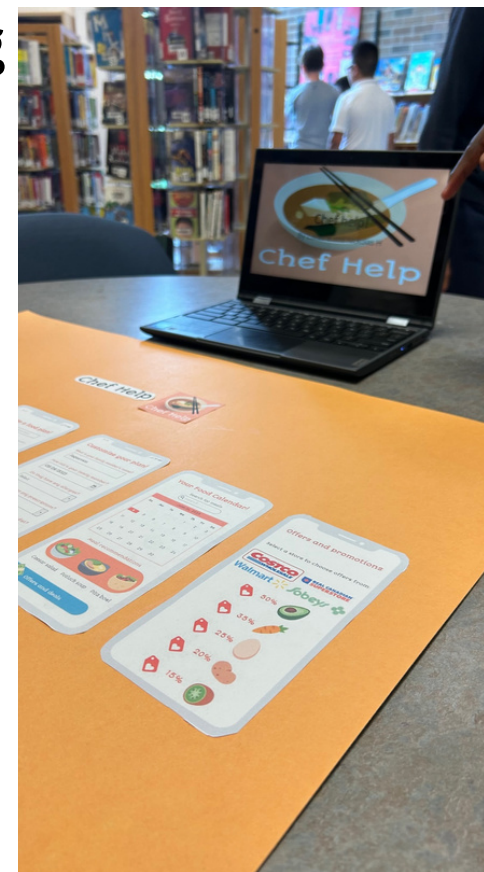

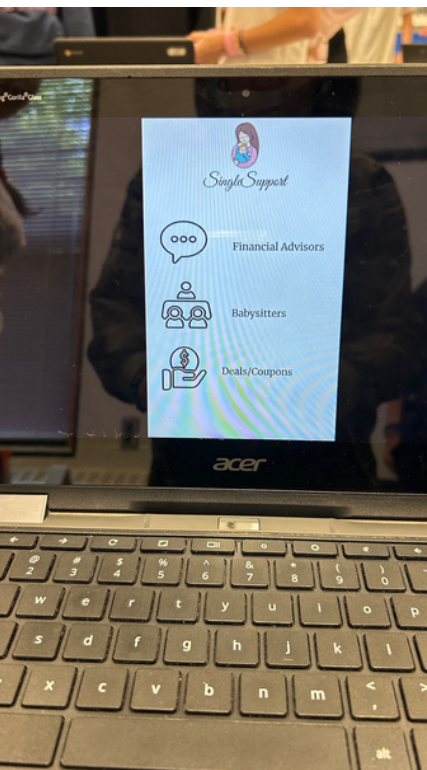

Civvies day

Auditions for the Talent Show were held last week. Students brought their best to try out for this much-anticipated event. The audition panel decided not to choose gymnastic acts because of safety issues and the size of our stage.

Intermediate students try design thinking

Students in Grades 7 and 8 showcased their design thinking projects to Grade 6 students last week. The students have been working on the projects under the direction of Ms. Carone, our Pathways and Careers Teacher. Many students chose to design an app to help make life easier for a portion of the population. Among the ideas were an app for single parents which included a chat feature and childcare recommendations, an outfit builder which puts together fresh looks with the user's own wardrobe, as well as an app to help home cooks plan meals using the ingredients they have on hand. Grade 6 students had the opportunity to ask questions of the older students and learn about the design thinking process.

Legislative
Assembly
of Ontario

Page applications are
accepted online twice yearly:
April 15 to June 15
and
September 15 to November 15
Check out our website at www.ola.org

ONTARIO'S
LEGISLATIVE

PAGE

PROGRAM

A *Unique* Experience

Each year approximately 150 young students from across Ontario are selected to participate in Ontario's Legislative Page Program. The program is designed for outgoing, high-achieving, community-involved students who have demonstrated responsibility and leadership.

Legislative Pages support the functions of the House, meet key parliamentary figures, and learn first-hand about Ontario's Parliament and the legislative process.

Be a part of Ontario's Parliament during your Grade 7 or 8 school year!
