Christmas Break

Students made the most of the snowfall on Thursday, building forts, snow people and towering structures. We hope there's more snow to come!

Advent Mass

Grade 5 students in Mme. Mirabelli's class organized our Advent Mass. What a beautiful celebration of this special season of joy and patience! Father Ravi celebrated the Mass and our choir led by Mme. Raposo and accompanied by Mr. Lynham sounded wonderful.

Acts of Kindness continue

Classes are continuing to record acts of kindness experienced at school. These kind acts are announced during morning announcements. Be sure to encourage your child to continue performing acts of kindness and ask them what kindnesses have been shown to them. At the end of the week, we will determine which class in each division has performed the greatest number of acts of kindness. The winning classes will earn a prize.

Book Fair was a hit

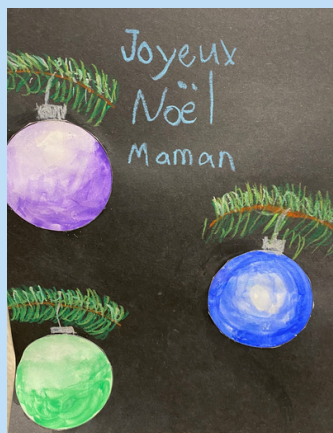

Students and parents alike enjoyed the book fair. There were so many books to choose from in both French and English. Students enjoyed shopping for posters and gift items for their loved ones. Thank you to Ms. DiGiulio for organizing it.

Extra socks and mittens needed

Now that winter weather is upon us, it's wise to pack an extra pair of socks and mittens in your child's bag. Outdoor play can soak students' mittens and socks often get wet as well. Please be sure to send your child with snow pants when it's snowy.

Bright and beautiful

Grade 4 and 5 students have been working on a festive art project with M. Levacque, exploring the use of line, light, colour with tremendous results! Très bon effort!
