

St. Joseph Aurora CES

Week at a Glance: January 8-12, 2024

What a Jam!

Our pre-Christmas Jingle Jam was outstanding! So many visitors came to enjoy the show which puts all of us into the holiday spirit! Much appreciation to teachers who worked with students so diligently to put on a wonderful show!

Some students shared their instrumental music gifts with us including David Moore, at left, who accompanied his class on the cornet.

Pack extra mittens, socks, for students

During winter weather, please ensure your child has extra mittens and socks in the event of slushy weather. Please ensure that all items sent to school are labelled.
