## ♥ Valentine Dance a hit with heart ♥

What an amazing day! The Valentine dance was a huge hit with all students! Thanks to the community and especially to our Catholic School Council for creating such a fantastic event!

### Pancakes on Tuesday

Our Catholic School Council has arranged for a pancake breakfast to mark Shrove Tuesday, the day before Lent. Volunteers have been busy gathering sausage, pancake mix, syrup, and oranges to prepare and serve to all students and staff. Students will be called down to the gym to enjoy this special breakfast.

## Science Rules!

Students in Mme. Mirabelli's class were experimenting with matter. They created Ooblek which pours like a liquid and holds together like a solid.

## St. Joseph School is scent-safe

We would like to remind parents and students that St. Joseph is a fragrance/scent-safe environment. There are staff members and/or students who could suffer severe adverse reactions when exposed to even the smallest amount of a fragrance or scent. We ask that the community support us in our efforts to maintain a healthy and safe environment by refraining from wearing fragrances or scented products when visiting the school, even if your visit will be short.
